Utility Bills are due every third Wednesday of the month. If you do not receive a bill by the 5th day of each month, please call or stop by our office. Failure to receive a bill does not waive any penalty fees. A 10% penalty fee will be assessed for payments received after 5pm on the due date.

If account is past due, please make a payment before 1pm on the due date or Hydrant meter will be removed and a \$25 penalty fee will be charged for reconnection of service.

***No person other than a member of the City of Soledad utilities department shall remove or relocate the water meter from its originally placed location.**

If you no longer need to use the Hydrant meter it is very important that you come by City Hall and sign a Disconnection of Services form. If you do not sign this Form, billing will continue and you will be responsible for all charges.
