Public Map Kit (4 Districts)

*** Be sure to assign the 67 residents in the area above (adjacent to the prison) to one of your proposed districts!

INSTRUCTIONS:

Draw your proposed district boundaries directly onto this map.

The 2020 total population counts for each area are shown on the map. **Each of your 4 proposed districts should have approximately 4,773 residents.** To ensure that your district plan is balanced, calculate the difference in population between the largest and smallest districts—the difference should be no more than 477.

Submit your completed map to Soledad City Hall, 248 Main St, Soledad, CA 93960 or via email to communityengagement@cityofsoledad.com.
