When the valuation of additions, alterations or repairs to dwelling units exceeds \$1,000, Section 314 of the California Residential Code (CRC) requires that a battery operated smoke alarm(s) be installed in each sleeping room and at a point centrally located in the corridor or area giving access to each separate sleeping area. In addition, when a dwelling unit has more than one story, and in dwellings with basements, a smoke alarm shall be installed on each story and in the basement.

When the valuation of additions, alterations, or repairs to dwelling units exceeds \$1,000.00, CBC Section 420.4.1 and 420.4.2 of the Building Code & CRC Section 315 requires that carbon monoxide alarm(s) be installed in the following locations:

1. Outside of each separate dwelling unit sleeping area in the immediate vicinity of the bedroom(s).
2. On every level of a dwelling unit including basements.

As owner of the above referenced property, I hereby certify that I have read Section 314 of the California Residential Code and that the battery operated smoke alarm(s) have been installed in accordance with the manufacturer's instructions and in compliance with Section 314 of the California Residential Code. The battery smoke alarm(s) have been tested and are operational.

I declare under penalty of perjury that the foregoing is true and correct, and that this declaration was executed on
_____ at _____, California.
